This application is a request for an electrical inspection and approval to transfer electrical power to the permanent building electrical service and electrical panel. Signatures of the Owner, General Contractor and Sub-Contractors are required to acknowledge this request as the intention of the electrical contractor to energize the electrical systems in the building.

The signatures of an authorized agent for each of the above listed parties, is required prior to inspection for approval of the requested Temp-Permanent Power.

The transfer of electrical power to the building is not to be construed as authorization to occupy the building. Approval of final building, electrical, mechanical, plumbing, fuel gas, fire and other appropriate city and/or county inspections, and the issuance of a Certificate of Occupancy are required prior to occupancy of the building.

Any person, who violates a provision of the code, including the occupancy of the structure without first obtaining a valid Certificate of Occupancy, shall be subject to penalties as prescribed by law.

UNDER PENALTY OF INTENTIONAL MISREPRESENTATION AND/OR PERJURY, I declare that I have examined and/or made this application and it's true and correct to the best of my knowledge and belief. I agree to construct said improvement in compliance with all provisions for the applicable ordinances. I have been given authorization from the property owner to obtain this permit. I realize the information I have affirmed hereon forms a basis for the issuance of the permit herein applied for and approval of plans in connection therewith shall not be construed to permit any construction upon said premises or use thereon in violation of any applicable ordinance or to excuse the owner or his or her successors in title from complying therewith.
